

Future Jobs Fund in Bournemouth Dorset & Poole

This table enables you to identify potential jobs that could attract funding from the Department of Work and Pensions under the Future Jobs Fund. Please provide the following information, using the example as a guide.

No. Of jobs	Sector, eg third sector, food & drink	Employer	Job Title or brief description	Hours per week	No. months	Start date (month)	Money sought (max £6,500 per job)	Additional contribution from employer, eg training provided, other support
1	Public	XX council	Recycling officer	25	6	April	£6,500	Health & safety training, safety clothing provided, full support in finding future employment

I confirm that the jobs proposed in the table above will be newly created and would not have occurred without funding from the Future Jobs Fund, do not substitute for filling existing or planned vacancies and do not displace existing employees or contractors.
